GX Accessories

GX Industrial Charger
AC Accessories

Customize GX for your region.
Modify and connect around the world with various plug types for regional compatibility.

Power your GX Industrial Charger with **AC Cord attachment options** compatible in regions including North America, Europe, the United Kingdom, and Australia. The cord securely locks into the side of the charger, and provides a seamless connection to deliver power. It contains high-quality components and a custom molded strain relief to withstand heavy-use and industrial applications. The cord can be permanently mounted as well, providing a **rugged and watertight connection**.

**SAFE UltraSafe™**
All NOCO products are tested with safety as the top priority with non-toxic materials and quality manufacturing.

**Heavy Duty Design**
From custom engineered strain reliefs to heavy gauge wire, NOCO accessories are dirt, water, UV, and impact resistant.

**8 AWG**
Made from durable, high-performance 8 AWG insulated wire that maintains its flexibility in cold weather environments.

**Universal Compatibility**
Interchangeable accessories for every GX Industrial Battery Charger, GX2440, GX3626, and GX4820.
**GXC101** GX AC Plug [NA]

The GXC101 has a standard **type B** grounded plug, designed for use in North America.

Type B
110-120V
