**GXC002** HD Eyelet Connector  
**GXC005** Anderson SB50 Connector

## GX Industrial Charger DC Accessories

**NOCO**

GX Accessories™

## Customize GX for your specific application.

Modify and connect with heavy duty GX Accessories.

**Connect and customize the way you charge** with your GX Industrial Charger. Choose between the Anderson SB50 Connector and Heavy Duty Eyelets. Then tailor, fit, and seal the GX connector to fit your battery application. Use GX Accessories with golf carts, scissor lifts, aerial lifts, boom lifts, sweepers, scrubbers, pallet jacks, stand-up forklifts, aisle forklifts, NEVs, UTVs, material handling carts, and more. Each cord securely locks into the side of the charger, and provides a seamless connection to deliver power.

Ultra**Safe**™

All NOCO products are tested with safety as the top priority with non-toxic materials and quality manufacturing.

### Heavy Duty Design

From custom engineered strain reliefs to heavy gauge wire, NOCO accessories are dirt, water, UV, and impact resistant.

### 12 AWG

Made from durable, high-performance 12AWG insulated wire that maintains its flexibility in cold weather environments.

### Universal Compatibility

Every GX Industrial Charger is universally adaptable with interchangeable accessories to directly fit your needs.
